WHO: Anyone that is a CMAC Alumni, CMAC Alumni Parent or was a
Coach!
WHY: Why Not?

Remember when ...

- WE were freezing at the top of the race course in our downhill suits?
- WE jammed in the car with so many skis on top of the car it looked like it was going to tip over?
- WE would sit in 45+ minute lift lines at the bottom of Chair 2?
- WE had our jump hill, rope tows, bamboo gates and those metal grate stairs up to the lodge?
