## Sparton AC7, 63 and 62 Replacement Parts Price List

### CHASSIS PARTS

| Name                                | Part No. | Price |
|-------------------------------------|----------|-------|
| Base Assembly—First Audio Socket    | A-2481   | .50   |
| Base Assembly—Second Audio Socket   | A-2482   | .50   |
| Base Assembly—1st and 2nd R. F.     | A-2480   | 2.50  |
| Base Assembly—3rd R. F. Socket      | A-2544   | 2.50  |
| Base Assembly—Detector Socket       | A-2449   | 2.75  |
| *Bias Assembly—Grid—AC-63, 62       | A-2463   | .60   |
| *Bias Assembly—Grid AC-7            | A-2540   | .60   |
| Cable Assembly—Drive                | A-2670   | .70   |
| Clip—Resistor                       | A-2556   | .05   |
| *Chassis Assembly AC-7              | D-80     | 90.00 |
| *Chassis Assembly AC-63             | D-79     | 85.00 |
| *Chassis Assembly AC-62             | D-90     | 80.00 |
| Coil Assembly—Choke                 | A-2418   | .30   |
| *Coil Assembly—AC-62                | A-2753   | 2.50  |
| *Coil Assembly—AC-7 and 63          | A-2506   | 2.50  |
| Condenser Assembly                  | B-1457   | 3.00  |
| Condenser .00025 MFD                | A-2440   | .40   |
| Condenser .002 MFD                  | A-2441   | .40   |
| Condenser .5 MFD By Pass            | A-2434   | .75   |
| Condenser 1 MFD By Pass             | A-2511   | .75   |
| Condenser Assembly—Aerial           | A-2545   | .45   |
| Dial Assembly                       | A-2591   | .30   |
| Harness Assembly                    | B-1460   | 1.50  |
| Knob and Pointer Assembly—Modulator | A-2596   | .45   |
| Knob—Switch                         | A-2597   | .25   |
| Knob and Shaft—Drive                | A-2593   | .20   |
| Lamp—Miniature                      | A-1519   | .30   |
| Lamp Assembly—Socket                | A-2497   | .15   |
| Mica—Balancing Condenser            | A-1232   | .05   |
| Mica—Aerial Condenser               | A-2447   | .10   |
| Modulator Assembly                  | A-2678   | 2.00  |
| Nut—Equalizing Condenser            | A-2269   | .05   |
| Phone Jack                          | A-2479   | .50   |
| Phone Plug                          | A-1952   | .75   |

| Name                  | Part No.    | Price |
|-----------------------|-------------|-------|
| Post Assembly—Binding | A-1535      | .15   |
| Post—Detector Socket  | A-2425      | .15   |
| Post—Tube Socket      | A-1592      | .15   |
| Resistor—3 Megohm     | A-2702-13-D | .50   |
| Resistor—.25 Megohm   | A-2702-6A   | .50   |
| Resistor—.2 Megohm    | A-2702-5C   | .50   |
| Resistor—1 Megohm     | A-2702-11   | .50   |
| Spring—Locking        | A-2722      | .05   |
| Shaft Assembly—Drive  | A-2699      | .35   |
| Terminal Elbow        | A-1936      | .10   |
| Transformer—Audio     | B-1456      | 6.00  |
| Terminal—High Voltage | A-1861      | .10   |
| Tube—AC               | A-2006      | 5.00  |
| Tube—Raytheon         | A-2007      | 4.50  |
| Tube—Power type 171   | A-2580      | 4.50  |

### POWER UNIT PARTS

|                                    |        |       |
|------------------------------------|--------|-------|
| Coil Assembly—Choke                | A-1977 | 2.50  |
| Condenser—2 MFD or Buffer 60 Cycle | A-2476 | .75   |
| Condenser—2 MFD or Buffer 25 Cycle | A-2737 | .75   |
| Condenser Assembly—Block 60 Cycle  | B-1642 | 15.00 |
| Condenser Assembly—Block 25 Cycle  | B-1476 | 20.00 |
| Knob—Power Unit Switch             | A-2597 | .40   |
| Plug—High Voltage                  | A-2407 | .10   |
| Plug—Lamp                          | A-1990 | .40   |
| Post—Tube Socket                   | A-1592 | .10   |
| Power Unit Complete                | D-75   | 75.00 |
| Resistor—10,000 ohm                | A-2043 | 1.25  |
| Sleeve—High Voltage                | A-1863 | .15   |
| Switch—Power Unit                  | A-1974 | .75   |
| Socket—Raytheon Tube               | A-1971 | .75   |
| Transformer—Power Unit 60 Cycle    | B-1454 | 7.50  |
| Transformer—Power Unit 25 Cycle    | B-1669 | 10.00 |

\*Parts are the same in AC-7, 63 and 62 with the exception of those marked \*

## Sparton 6-15 and 6-26 Replacement Parts Price List

| Name                         | Part No. | Price |
|------------------------------|----------|-------|
| Cable or Belt Assembly—Drive | A-2670   | .10   |
| Condenser Assembly—Variable  | B-1457   | 3.00  |
| Condenser .00025 MFD         | A-2440   | .40   |
| Condenser .002 MFD           | A-2441   | .40   |
| Condenser .5 MFD By Pass     | A-2434   | .75   |
| Condenser Assembly—Aerial    | A-2545   | .45   |
| Coil Assembly                | A-2505   | 2.50  |
| Coil Assembly—Choke          | A-2418   | .30   |
| Contacts—Socket              | A-2407   | .02   |
| Dial Assembly                | A-2591   | .30   |
| Knob—Drive                   | A-2593   | .20   |
| Nut—Equalizing Condenser     | A-2269   | .05   |

| Name                        | Part No.   | Price |
|-----------------------------|------------|-------|
| Post—Tube Socket            | A-1592     | .10   |
| *Post Assembly—Binding 6-26 | A-2493     | .15   |
| Resistor—.25 Megohm         | A-2702-6A  | .50   |
| Resistor—3 Megohm           | A-2702-13D | .50   |
| *Rheostat—6 ohm Pacent 6-26 | A-2461     | .50   |
| *Rheostat—6 ohm Carter 6-15 | A-2456     | .50   |
| Shaft Assembly—Drive        | A-2699     | .35   |
| Spring—Locking              | A-2722     | .05   |
| Transformer—Audio 2-1       | A-1572     | 5.00  |
| Transformer—Audio 3½-1      | A-1571     | 4.00  |

\*Parts are the same in 6-15 and 6-26 with the exception of those marked \*
